## CYBER SAFETY for GRADES K-2

## I Know the Safety Rules!

---

**I Keep Safe** my personal information—all of it! I never give my real name, address, phone number, the name of my school, or a picture of myself to anyone online.

**I Keep Away** from Internet strangers— no matter what they tell me, because I have no way of knowing who they really are. I don't talk with them online, and I never meet them face-to-face.

**I Keep Telling** my parents or a trusted adult about everything I see on the Internet. I always tell them when something makes me uncomfortable.

1. I will tell my trusted adult if anything makes me feel sad, scared, or confused.
2. I will ask my trusted adult before sharing information like my name, address, and phone number.
3. I will tell people "NO" if they try to touch or hurt me. It's OK for me to stand up for myself.
4. I will always use good netiquette and not be rude or mean online.
5. I will tell my parents, guardians, or other trusted adults if anything happens to me.

Parents:

Here are some activities for you to do with your child to help them be safe while accessing the Internet:
